4M

Michael Moretti, 4M, 18"x24", Print, Graphic Design, 2021

# 4M Statement

- My passion for Graphic Design and the love for snowboarding gave me the idea to combine the two and create snowboard deck graphics. The reason I decided to do this was because of my love for snowboarding. A dream of mine is to one day work out west with Burton to create deck designs. My Inspiration was the college I attend and professional sports teams.
- The collection “4M” is two different Designs with a variety of colors. I decided to implement myself to this collection. 4M is my brand and i wanted the decks to represent myself, while giving the viewer multiple colors to choose from.
