

Acadeum | College Consortium

The University of Mount Union is pleased to announce we will once again offer online courses through our course sharing consortium, Acadeum, this Summer 2023, Fall 2023, and Winter 2023. Using this online consortium, you can grab a few extra credits or repeat a course to replace a low grade.

This opportunity reflects our commitment to ensuring you have access to the courses you need to make progress when we don't have them readily available at Mount Union.

If you are interested in taking an online course through Acadeum, please stop into the Office of the University Registrar to learn more or login with your student email address to request a course [HERE](#). These pre-approved courses are made available via Acadeum, from another institution, will count toward your degree*, can be taken as repeat for change of grade, and will appear on your transcript as a Mount Union course.

**There are some restrictions. Please check with your Department Chair, School Director, or the University Registrar if you are unsure.*

A Few Important Notes about online shared courses through Acadeum:

- **More than 300 Approved Courses!**
- **Tuition Cost:** \$465 per credit hour (*based on the credits assigned for the UMU equivalent*). Please note Acadeum courses are **NOT** included in your Mount Union tuition and will be charged additional to your billing statement each semester. Text and other fees are the responsibility of the student.
- **How to Register:** Register at www.acadeum.com
- **Financial Aid:** Please contact the Office of Student Financial Aid (finaid@mountunion.edu) or the Business Office (billing@mountunion.edu) to determine if you are eligible to use financial aid.
- **Billing:** Students on a current hold are not permitted to register for Acadeum courses. Charges for Acadeum courses must be paid prior to the start of the course and are not part of your regular semester tuition. For Fall and Spring semesters, you must be registered for at least 12 native UMU courses to be eligible to add Acadeum courses.
- **How Will the Course Appear:** Acadeum courses will appear on your schedule and transcript as Mount Union courses. A note will appear that indicates you took the course through the consortium.
- **Have Additional Questions?:** Call the Office of the University Registrar at 330-823-6018. Office hours are Monday-Friday, 8:00am to 5:00pm.
