How to Fund Your Mount Union Education

Rest assured you will not be alone during the financial aid process. The entire financial aid staff will be with you every step of the way to assist you in exploring financing options that best meet your needs. Mount Union will work closely with you to make your degree attainable and affordable.

Student Loans

Some students may decide to defer some costs until after graduation by taking advantage of educational loan options.

Federal Graduate Loans

To be eligible for federal graduate loans, please complete the Free Application for Federal Student Aid (FAFSA) for the 2021-2022 school year. First-time Federal Direct Loan borrowers must complete and sign a Master Promissory Note (MPN) in order to receive an Unsubsidized Loan or Graduate PLUS Loan. If students need more loan beyond the Unsubsidized Loan, they can complete the Graduate PLUS Application at studentloans.gov. Sign into [Self-Service](#) to accept, decline, and/or reduce the federal loans offered to you. Your loan funds will not disburse to your student account if you have not accepted your loans or completed the requirements listed on your award offer.

- The Graduate Unsubsidized Loan interest rate is 4.3% and the loan fee is 1.057%.
- The Direct PLUS Loan interest rate is 5.3% and the loan fee is 4.228%.

Private Educational Loans for Students

Students can borrow a Private Education Loan to cover additional educational expenses not covered by other financial aid. Mount Union has a private loan comparison tool at choice.fastproducts.org/FastChoice/home/308300/1.

- Late fees are assessed monthly, and a hold will be placed on your account if payment has not been received by the due date.
- If you are borrowing loan funds to pay your balance, loan applications are due prior to the payment due date.

Refunds

Refunds resulting from an excess of student loan funds are generally available 14 days after the loan is disbursed to the students' account. It is the students' responsibility to make loan adjustments before a refund is generated to the student. Requests to cancel a specific loan disbursement may be submitted prior to the loan being credited to the students' account or within 14 days of disbursement. If a refund has been generated and the student would like to cancel all or a portion of the loan, the funds must be repaid directly to the loan servicer. To cancel or return a portion of your loan prior to receiving a refund, complete the Loan Change Request Form by visiting mountunion.edu/applying-for-financial-aid.
