Mount Union Campus Lakes

ArtFest 2019

ArtFest will be held at its historic location around the Campus Lakes of the University of Mount Union. Scheduled in conjunction with the Mount Union vs. Baldwin Wallace football game, Mount Union's Family Day, and the Carnation City Food Truck Rally, ArtFest 2019 will be part of a bustling day on campus. In recent years, ArtFest has hosted more than 50 vendors and 3,000 visitors.

We can't make ArtFest a success without you, the vendors. We hope you will consider joining us for ArtFest 2019.

Original Works

Artists who have not been in our show previously or within the last five years must submit three photographs or slides of their work, marked with name and medium to artfest@mountunion.edu. The ArtFest committee also reviews work during the event, which may affect eligibility for the following year.

Only one exhibitor is permitted per booth space. In addition, the committee reserves the right to ask artists to remove any work that does not meet the standards or that is not representative of the work in the photos submitted for jurying. Only original works will be accepted.

Juror

Michael Schmidt, art professor at the University of Mount Union, is this year's juror. Schmidt earned his BFA in Painting from the Cleveland Institute of Art and MFA in Painting and Drawing from California State University, Long Beach. Schmidt's work has been displayed in more than 20 exhibitions in Ohio, California, and even South Korea. He has also received numerous honors and awards during his professional career.
