Through immersed participation, training, practice, and reflection, the Mount Union student will gain skills that will complement academic endeavors and further enable success after graduation.

Fall 2022

Student Organizations are a way to be active on campus while studying at Mount Union. Along with the benefits of University recognition, these opportunities for campus involvement are held to a high standard reflective of the quality of educational experience that Mount Union seeks for its students.

Not only do student organizations provide an environment for students to connect with one another through a topic of mutual interest, but they also provide opportunities for cocurricular learning and development.

We recognize student organizations in one (or more) of the following categories:

Academic Organizations directly support an academic field of study or link with an academic program/department at the University. This includes organizations that are honor societies.

Club Sport

Social

This category is our fraternity and sorority community. Mount Union hosts four fraternities for men and four sororities for women.

Special Interest

These organizations include those student groups that have a focus that is of special interest to those who are members.
