

### **Dodie Davis Alumni Service Award**

The Alumni Service Award was established in 1942 and is presented in recognition of outstanding achievement in a chosen profession and for service to the community or the University of Mount Union. The award represents the highest non-academic honor an alumnus/alumna can receive from Mount Union. In 2003, the award was renamed in honor of Dodie Davis '62 for her 35 years of service and dedication to the institution.
